Catifa 60

Featuring the same soft, emblematic Catifa form, Catifa 60 adds more generous proportions and performance. With a variable–height backrest and broad, accommodating seat it is equally distinguished in an office, a boardroom or a stylish home. Made for both residential and contract use, Catifa 60 is available in three different back heights – Conference, Office and Direction – in addition to Lounge which is available in two back heights.

The polyurethane–padded shell is covered in leather, faux–leather or fabric. Custom upholstery can also be provided. All models are available in four–way base with various adjustment mechanisms or five–way base with castors and various adjustment mechanisms. A sled base is also available for the low Lounge. For additional comfort, Catifa 60 can be outfitted with polished aluminum or padded armrests and matching, upholstered footrest. The Catifa 60 Collection is GreenGuard certified.
