Pix

Graphic silhouette and color define the soft, generous volumes of Pix. A family of ottomans and side tables, at once inviting and iconic, Pix provides a casual touch of comfort in both contract and residential environments, inside or outside.

Pix is available in the round version, with 1, 3 or 5 seats, offering a wide choice of fabrics and colors. The 5 seat version is only available upon request. Pix Cubo, with a square shape, is available in the 1 or 2 seat version. The Mini version is also available: a small ottoman that is extremely versatile, as it can be used as a table or as a seat. The collection is complemented by the Pix table, the perfect solution for waiting rooms or relaxation areas thanks to its small top that can be adjusted to a range of heights.

Graphic and bold, the entire Pix collection's colorful charm can now be enjoyed outside. Cheery and inviting, Pix is now embedded with a technological advancement that prevents it from getting wet. The Pix family of ottomans can now truly be enjoyed indoors and out, rain or shine.
