## 4- and 2-seater meeting booth

Create an acoustic break-out space, meeting booth, or silent workplace in the office so you can have discussions, give presentations and hold meetings in peace and quiet. This makes it easy to create your own break-out space.

Even with the New Way of Working, people still need a place where they can hold meetings, give presentations, and work together in teams or in silence without being disturbed by background noise. The Rondo booths gives you all of these possibilities. With the Rondo you can arrange an open-plan office or space exactly the way you want.

This acoustic workstation can be upholstered in any kind of fabric and are connectable. The Rondo collection consists of:

- Rondo Box (booth for 2 will 4 people)
- Rondo Suono (to call or work standing up)
- Rondo Uno (concentration / silence workplace)
- Rondo Lavoro (shielded desk)
- Rondo Divano (consultation bench)

## Rondo Longo

Rondo Longo lends itself perfectly to the serious phone call requiring supreme concentration. Standing in a Rondo Longo you experience the absorbent effect of the fabric walls.

## Work standing up

In addition, you can work excellent standing up in the Rondo Longo. Alone in the Rondo Longo 1, or with a partner in the Rondo Longo 2.

## Would you prefer to work while sitting?

In an open office you can work with the Rondo Uno concentration booth without being disturbed. As a separate unit, or linked with several Rondos Uno. As Rondo Uno Piccolo with corner worktop, or the Grande version with straight worktop.

## Rondo Box

The Rondo Box is available in 2 different sizes: the Rondo Box Duo (for a maximum of 2 people) and Box Quattro (for a maximum of 4 people).

## Divano

Acoustic meeting booth, consultation bench for the office with which you can discuss or meet in peace. In an open office you can consult with the Rondo Divano consultation bench without being disturbed and you can easily create a consultation corner with two Rondo Divano's opposite each other. In two different widths.

## Rondo Lavoro

At the acoustic desk Rondo Lavoro it is pleasantly concentrated work. The shielded desk invites you to collaborate, but can be used perfectly solo. The Rondo Lavoro is available in 4 different widths (123 cm, 157 cm, 178 cm and 246 cm) and 3 different heights (110 cm, 144 cm, 165 cm).
