 Finishing edge: Stained

## Aluminium profiles on the underside of the seats

P53 Tele grey Ral 7047 structure  
 or  
 P57 Black grey Ral 7021 structure

## Heights

Height seat 47cm  
 Height back 97cm

## Upholstery

One fabric can be selected per composition.  
 The covers of the seat are easy to replace.

## Electrification

Available as an option.  
 This is supplied separately and can be attached under a seat.  
 Including power cable 300 cm.  
 Not connectable.

## Compositions

The basic elements must always be connected at the location of the coupling (indicated in blue on the drawings). A configured unit must never have a coupling at an end.  
 Maximum 6 seats per length direction.  
 If you want back cushions, these must be charged extra.

## Options

Netbox Join 1x230V / 1x2USB charge - black  
 Netbox Join 2x230V - black
